Dear Mr. Lion:

On behalf of the U.S. Department of Veterans Affairs (VA), Center for Verification and Evaluation (CVE), I am writing to inform you that your application for reverification has been approved. PPC Promotional Products Company will remain eligible to participate in Veterans First Contracting Program opportunities with VA as a verified Veteran-Owned Small Business (VOSB).

This verification is valid for three (3) years from the date of this letter. Please retain a copy of this letter to confirm PPC Promotional Products Company's continued eligibility in accordance with 38 Code of Federal Regulations (CFR) § 74.12. You may reapply 120 days prior to your new expiration date by logging into www.vetbiz.gov.

To promote PPC Promotional Products Company's verified status, you may use the following link to download the logo for use on your marketing materials and business cards: http://www.vetbiz.gov/cve_completed_v.jpg. In addition, please access the following link for information on next steps and opportunities for verified businesses. <http://www.va.gov/osdbu/verification/whatsNext.asp>.

While CVE has confirmed that PPC Promotional Products Company is presently, as of the issuance of this notice, in compliance with the regulation, PPC Promotional Products Company must inform CVE of any changes or other circumstances that would adversely affect its eligibility. Eligibility changes not reported to CVE within 60 days could result in a referral to the Office of Inspector General (OIG), a referral to the Debarment and Suspension Committee, and the initiation of cancellation proceedings—all of which could result in PPC Promotional Products Company being removed from the VIP Verification Program.

Please be advised all verified businesses may be required to participate in one or more post-verification audits at CVE's discretion. Additionally, this letter and other information pertaining to PPC Promotional Products Company's verification application may be subject to

Freedom of Information Act (FOIA) requests. However, FOIA disclosures include exceptions regarding the personal privacy of individuals, and VA policy similarly provides limitations on the release of individual records.

If PPC Promotional Products Company receives a negative size determination from the U.S. Small Business Administration (SBA), CVE must act in accordance with 38 CFR § 74.2 (e). Also note, if at any time PPC Promotional Products Company discovers that it fails to meet the size standards for any NAICS Code(s) listed on its VIP profile, CVE requires such NAICS Code(s) be removed within five (5) business days. If these NAICS Codes are not removed within the allotted five (5) business days, CVE may request the SBA to conduct a formal size determination. In addition, CVE may initiate a referral to OIG, a referral to the Debarment and Suspension Committee and pursue cancellation proceedings. All of the aforementioned referrals and procedures could result in PPC Promotional Products Company being removed from the VIP Verification Program.

Thank you for your service to our country and for continuing to serve America through small business ownership.

Sincerely,
